Mother,
Father,
are you doing well?
I'm hopeless, as always.

I accidentally touched the flowers that my maid was raising yesterday,
Ah…
and the entire thing withered.
This curse of mine taking the life of others by touching them
There are no signs that it'll be cured any time soon

Chapter 4: Tea Time
Are you not going to send the letter earlier?
I can't send something like that.
Writing letters is just something I do to rehabilitate.

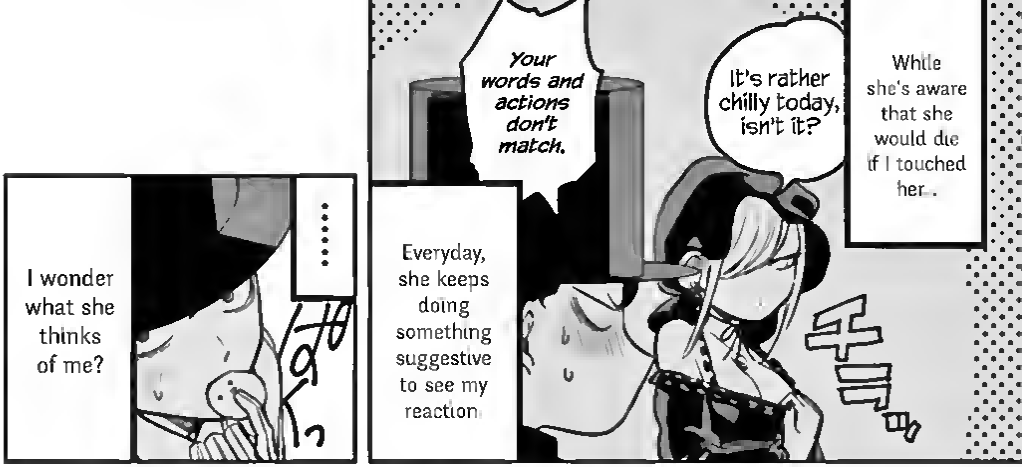
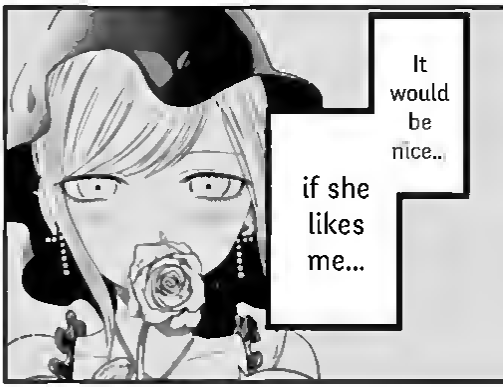
These cookies are delicious.
As always,
I am grateful.
I have no idea what this maid is thinking.



I wonder what she thinks of me?
.....
Everyday, she keeps doing something suggestive to see my reaction
Your words and actions don't match.
It's rather chilly today, isn't it?
While she's aware that she would die if I touched her...
チュッ

Sigh
Am I really just being toyed around with?
My Duke, what is the matter?



It would be nice...
if she likes me...

What are you doing!!?
I thought this was what you desired.
I wasn't implying that I wanted to peep!!

I keep telling you to stop sexually harassing me!
ガタッ
It's painful!!
I apologize.
However, I cannot stop.
You stated that so decisively !!

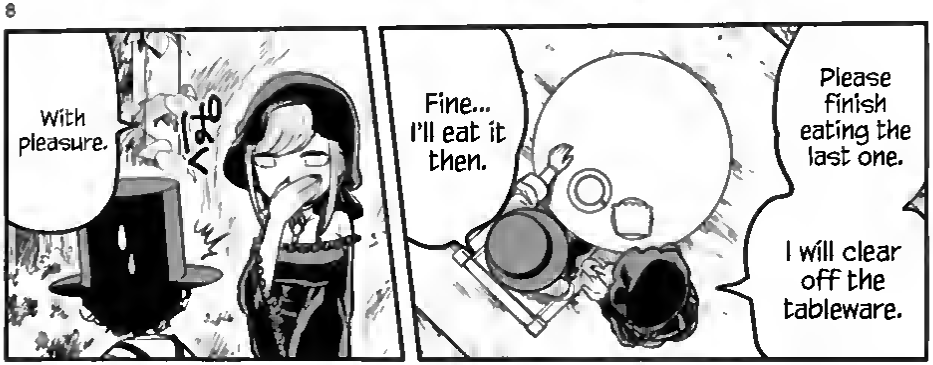
Won't you have another cookie?
Sure... Did you hear what I said?

So you heard everything then!!
Are you just ignoring it all!!?
Up until "Even though I don't know what I am to you...".



With pleasure.
Fine... I'll eat it then.
Please finish eating the last one.
I will clear off the tableware.

She wants me to eat that!?

What the heck is this...
ドキドキ
Wha...

Don't give off weird sounds...!!
Mm...
